THE END OF OUR FIRST TERM

What a blessing these last few months have been! After years of looking forward to being here and teaching the Word, we have been blessed in a massive way by doing just that.

The School of Biblical Studies has gotten off to a great start, we are through our first quarter and the majority of the New Testament. We still have a full six months ahead of us, and we are anxiously looking forward to them!

Above: Here is our school at our Christmas Party at the end of the first term.

PRAYER NEEDS:

- Continued strength and wisdom as we lead our students onward.
- We are joining a South African health insurance plan, Finances for this are needed.
- Study time for our upcoming teachings.
- We always appreciate prayer for our health and safety!

CLASSROOM LIFE

We are loving the part of our jobs that allows us to share the Bible with our students and soak in the Word. We both had very successful first teachings this quarter: Ashley taught 1 Timothy and gave a very rousing call to stand against false teaching and to live out the calling God has placed in our lives. Brian had two days to teach the book of Hebrews and to show the superiority of Christ.

We both are looking forward to this coming quarter and the new challenges that it will bring. Ash is teaching both 1 John and Ruth, and Brian is teaching Leviticus!

OUTSIDE THE CLASSROOM

We have been up to more than just SBS, and are really enjoying getting to know our city and investing in ministries that are going on around us. Brian has begun to take students into a local township for weekly Bible studies with people who generally come right in off the streets.

Ashley has been helping out with the Discipleship Training Schools, investing in one-on-one development with students.

We look forward to getting more involved with this type of work in the new year, and to building a passion for this nation and these people in our students.

Above: Us enjoying our break with Table Mountain in the background.

THE BOOKS WE ARE STUDYING THIS QUARTER
